Perry's Lookdown

A Date with Density 24 195m

Lots of arêtes, beautifully sunny in winter, shady after 2pm in Summer. All U's, take 14 draws and water. Walk down 100m as for Red Edge and walk west 50m along under small cliff, scramble down 2nd gully, follow rope to top rap anchor

- 1 35m (24) up corner and arete
- 2 45m (22) up corner and arêtes
- 3 25m (24) Out left and up arete
- 4 45m (18) Up slabs and walls
- 5 45m (22) Right and up
