

Whympers (name TBA) 19 145m

Classic face climbing above a lot of worrying space. All bolts, take 11 brackets and a sling. Start left of a steep orange nose 30m left of Sweet Dream, or about 100m after the cable traverse.

- 1) 25m 18 head diagonally rightwards past U bolts through roof and around arête, up corner to ledge and 2 U belay on right.
- 2) 25m 18 Stainless glued carrots from now on, left and out to arête. DBB.
- 3) 25m 19 Up right then out left to arête, up to small ledge and 3BB.
- 4) 35m 19 up arête to cave, clip a U with a long sling and step right, up wall and roof, then diagonally R to 2U belay.
- 5) 35m 16 Right and up (ignore old dynabolts further right).
